[THREAD ID:1-6X9LX4X] - EDIT: Re: U.S. Copyright Office Application - 1-14994942421 Dida's Architecture by Krista Raina Dandridge-Barnett

Should all of the original files be included in all of the original registrations and not excluded, as some have appeared to have been due to my using the word "Episode" in lieu of "Chapter" for stylistic purposes, then any "previously registered text" can be excluded... so long as the law allows (I am not an attorney).

Also, with respect to Application # 1-14608830361, when is the correct date of Registration going to show as "December 29, 2024"? I've already provided evidence to the Copyright Office previously:
